**UNITED STATES DEPARTMENT OF TRANSPORTATION
FEDERAL TRANSIT ADMINISTRATION**

MASTER AGREEMENT

This is the official Federal Transit Administration (FTA) Master Agreement containing the standard terms and conditions governing the administration of a Project FTA supports with Federal assistance (funds or funding) awarded through a Grant Agreement or Cooperative Agreement with the Recipient (underlying Agreement), or a Transportation Infrastructure Loan, Loan Guarantee, or Line of Credit FTA extends to the Recipient (*also*, underlying Agreement).

This edition of FTA’s Master Agreement has been extensively rewritten to comply with the Plain Writing Act of 2010, Pub. L. 111-274, October 13, 2010, 5 U.S.C. § 301 note.

Statutory Authorities

This Master Agreement applies to Federal funds authorized by:

- Federal transit laws, 49 U.S.C. chapter 53,
- Title 23, United States Code (Highways),
- The Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU), Pub. L. 109-59, August 10, 2005, as amended by the SAFETEA-LU Technical Corrections Act of 2008, Pub. L. 110-244, June 6, 2008,
- The Transportation Equity Act for the 21st Century (TEA-21), Pub. L. 105-178, June 9, 1998, as amended,
- The National Capital Transportation Act of 1969,
- The D.C. Official Code, 9-1111.01 *et seq.*,
- The American Recovery and Reinvestment Act of 2009, Pub. L. 111-5, February 17, 2009 (“Recovery Act”), or
- Other Federal legislation FTA administers as FTA so determines.

Compliance

FTA and the Recipient understand and agree that they both must comply with all applicable Federal laws and regulations, and should follow applicable Federal directives, except as FTA determines otherwise in writing.

In addition, the Recipient needs to be sure that others participating in its Project, whether as subrecipients, lessees, third party contractors, third party subcontractors, or otherwise (third party participants) comply with Federal laws, and regulations, and follow directives to the extent that the Recipient's compliance with Federal requirements will not be compromised. A Recipient or a third party participant that violates a Federal law or regulation, or fails to follow a Federal directive that applies to itself or the Project, may incur penalties.

FTA and the Recipient understand and agree that not every provision of this Master Agreement will apply to every Recipient or every Project for which FTA provides Federal funds. The type of Project, the Federal laws authorizing the Federal funding for the Project, the Federal regulations governing how the Project is implemented, and the Recipient's legal status as a "State," "local government," "private non-profit entity," or "private for-profit entity" will determine which Federal laws, regulations, and directives apply.

FTA will enforce only those Federal laws, regulations, and directives that apply to the Recipients, their third party participants, and their activities related to the Project as required by Federal law and regulations. Federal laws, regulations, and directives that do not apply will not be enforced.

Terminology

To determine the extent to which the provisions of this Master Agreement do apply, however, FTA and the Recipient understand and agree that each provision of the Master Agreement must be interpreted in view of the requirements of the Master Agreement as a whole. For the most part, we have eliminated repetitive phrases with the result that a single provision of the Master Agreement, read apart from the rest, will not convey the extent of the requirement expressed.

For example, in this Master Agreement:

- References to "Federal law(s)," "Federal regulation(s)," and "Federal directive(s)" mean references to those parts of those Federal laws, Federal regulations, and Federal directives that apply to the Recipient, the specific third party participant, or the Project, as the context may require. FTA and the Recipient understand and agree that any requirement in this Master Agreement for compliance with "Federal law(s)," "Federal regulation(s)," and "Federal directive(s)" means compliance with "applicable Federal law(s)," "applicable Federal regulation(s)," and "applicable Federal directive(s)."
- New terms used in this Master Agreement, such as "third party participant," "third party agreement," or "underlying agreement," as well as terms used previously have the precise meaning as specifically stated in their definitions in Section 1 of this Master Agreement.

Expiration Date

This Master Agreement does not have an Expiration Date. It continues to apply to the Project until modified or superseded by:

- Federal laws, regulations, or directives that become effective at a later date, or
- An amendment to the underlying Agreement or this Master Agreement issued at a later date.

Thus, in consideration of the mutual covenants, promises, and representations herein, FTA and the Recipient agree as follows:

Section 1. Definitions. The Recipient understands and agrees that the following definitions apply throughout this Master Agreement, and control the meaning of the terms and conditions in this Master Agreement:

- a. *Application* means the Recipient's signed and dated request for Federal funds, including any amendment to its application, with all explanatory, supporting, and supplementary documents filed with FTA by or on behalf of the Recipient and that FTA has accepted or approved.

- (2) An oral permission or interpretation has no legal force, authority, or effect, and
- (3) That permission may be transmitted in typewritten hard copy or electronically.

For purposes of this Master Agreement, the definition of "approval" also applies to "concurrence" and "waiver."

Section 2. Project Implementation.

a. General. The Recipient agrees to carry out the Project as follows:

(1) Project Description. Because the “Project Description” in the FTA Award section of the underlying Agreement provides only a brief description of the Project or Projects, the Recipient agrees to perform the work described in both the “Project Description” and in its Application that is incorporated by reference in the underlying Agreement for the Project.

(2) Effective Date. The Effective Date of the underlying Agreement, or later Amendment is the date when the FTA Authorized Official has awarded Federal funds for the Project, which is displayed in the underlying Agreement or Amendment. The Recipient agrees to undertake Project work promptly after receiving notice that FTA has awarded Federal funds for the Project.

(3) Recipient’s Capacity. The Recipient agrees to maintain sufficient legal, financial, technical, and managerial capacity to:

(a) Plan, manage, and complete the Project and provide for the use of Project property,

(b) Carry out the safety and security aspects of the Project, and

(c) Comply with:

1 The underlying Agreement,

2 This Master Agreement,

3 The Approved Project Budget,

4 Project schedules,

5 Its annual Certifications and Assurances, and

6 Federal laws and regulations, and

(4) Follow Federal directives, except as FTA determines otherwise in writing.

(4) Completion Dates. The Recipient agrees to complete the Project within a reasonable time. Nevertheless, except in the case of a Full Funding Grant Agreement or as otherwise specified, FTA and the Recipient agree that milestone dates and other Project completion dates are to be treated as good faith estimates rather than precise and firm legal requirements.

b. U.S. DOT Administrative Requirements. The Recipient agrees to comply with the applicable U.S. DOT regulations establishing uniform administrative requirements for recipients of its type:

(1) State, Local Government, or Indian Tribal Government. U.S. DOT regulations, “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments,” 49 C.F.R. Part 18, apply to a Recipient that is a State, local government, or Indian tribal government.

(2) Institution of Higher Education or Nonprofit Organization. U.S. DOT regulations, “Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations,” 49 C.F.R. Part 19, apply to a Recipient that is an institution of higher education or a nonprofit organization.

(3) Private For-Profit Organization. Except as FTA determines otherwise in writing, U.S. DOT regulations, “Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-profit Organizations,” 49 C.F.R. Part 19, apply to a Recipient that is a private for-profit organization.

c. Application of Federal, State, and Local Laws, Regulations, and Directives.

(1) Federal Laws, Regulations, and Directives. The Recipient agrees that:

(a) Federal laws and regulations are Federal requirements that control Project award and implementation. The Recipient understands and agrees it may violate Federal laws or regulations, the underlying Agreement, or this Master Agreement if it adopts an alternative procedure or course of action without first securing FTA’s approval in writing.

(b) Federal directives, as defined in this Master Agreement, provide Federal guidance. FTA strongly encourages the Recipient to follow Federal directives to ensure compliance with Federal requirements.

(c) Federal laws, regulations, and directives that apply to the Project and Recipient when the FTA Authorized Official awards Federal funds for the Project may be modified from time to time.

(d) New Federal laws, regulations, and directives may become effective after the Recipient executes the underlying Agreement, and might apply to that Agreement.

(e) The most recent of Federal laws, regulations, and directives will apply to its Project at any specific time, except as FTA determines otherwise in writing by:

- 1 Special Condition within the underlying Agreement,
- 2 Special Requirement within the underlying Agreement,
- 3 Special Provision within the underlying Agreement,
- 4 Condition of Award within the underlying Agreement,
- 5 Change to an FTA directive, or
- 6 Letter to the Recipient signed by an authorized FTA official.

(d) All standards or limits in the underlying Agreement and this Master Agreement are minimum requirements, except as FTA determines otherwise in writing.

(e) It will include in each third party agreement notice that Federal laws, regulations, and directives may change and that the changed provisions will apply to the Project, except as FTA determines otherwise in writing.

(2) Pre-emption of State, Territorial, and Local Law. If a Federal law pre-empts a State, territorial, or local law, regulation, or ordinance:

(a) The Recipient must comply with Federal law and regulations.

(b) The underlying Agreement and this Master Agreement, however, do not require the Recipient to take any action that would violate State, territorial, or local law, regulations, or ordinances.

(c) If compliance with any provision of Federal law or regulations, the underlying Agreement, or this Master Agreement violates or would require the Recipient to violate any State, territorial, or local law, regulation, or ordinance, the Recipient agrees to:

1 Notify FTA immediately in writing, and

2 Make appropriate arrangements with FTA to:

a Proceed with the Project or,

b Terminate the Project expeditiously, if necessary.

d. Recipient's Primary Responsibility to Comply with Federal Requirements. Irrespective of involvement by any other entity in the Project, the Recipient agrees that:

(1) It, rather than any other entity, including a third party participant, is ultimately responsible for full compliance with Federal laws and regulations, Federal directives, the underlying Agreement, and this Master Agreement, except as FTA determines otherwise in writing.

(2) Exceptions. It is not responsible for compliance with Federal requirements when:

(a) It is a Designated Recipient of Urbanized Area Formula Program funds as defined in 49 U.S.C. § 5307(a)(2) that has entered into a Supplemental Agreement with FTA and a Grant Recipient or Grantee covering a specific Project, or

(b) The Federal Government, through appropriate official action, relieves the Recipient of part or all responsibility to the Federal Government.

e. Recipient's Responsibility to Extend Federal Requirements to Other Entities.

(1) Entities Affected. Only the Recipient and FTA, as defined in Section 1 of this Master Agreement, are parties to the underlying Agreement. Nevertheless, the Recipient and FTA need the cooperation of other third party participants to attain compliance with certain Federal laws, regulations, and directives. Therefore,

(a) The Recipient agrees to ensure that each third party participant complies with applicable Federal laws and regulations, and follows Federal directives, except as FTA determines otherwise in writing.

(b) If a third party participant is expected to fulfill any responsibilities typically performed by the Recipient, the Recipient agrees to ensure that the third party participant carries out the Recipient's responsibilities as provided in the underlying Agreement or this Master Agreement.

(2) Agreements Affected. The applicability provisions of Federal laws, regulations, and directives determine the extent to which they affect a third party participant and the Project. Thus, the Recipient agrees to use a written third party agreement to ensure that the third party participant complies with Federal laws and regulations and follows Federal directives, except as FTA determines otherwise in writing. Specifically, the Recipient agrees that:

(a) Required Provisions. Its third party agreement will include all appropriate provisions stating the third party participant's responsibilities under Federal laws, regulations, and directives, except as FTA determines otherwise in writing.

(b) Flowdown. Its third party agreement will include any necessary provisions requiring the third party participant to include Federal provisions in its subagreements and other third party agreements to the lowest tier required, except as FTA determines otherwise in writing.

(c) Performance of Recipient's Responsibilities. When a third party agreement requires the third party participant to undertake Project activities and responsibilities usually performed by the Recipient, that third party agreement must include appropriate provisions that would extend the provisions normally applicable to the Recipient by the underlying Agreement or this Master Agreement to the third party participant performing the Recipient's responsibilities, except as FTA determines otherwise in writing.

f. No Federal Government Obligations to Third Parties. Except as the Federal Government expressly consents in writing, the Recipient agrees that:

(1) The Federal Government shall not be subject to any obligations or liabilities related to:

(a) The Project,

- (b) Any third party participant at any tier, or
- (c) Any other person or entity that is not a party (Recipient or FTA) to the underlying Agreement.

(2) Notwithstanding that the Federal Government may have concurred in or approved any solicitation or third party agreement at any tier that has affected the Project, the Federal Government has no obligations or liabilities to any:

- (a) Third party participant, or
- (b) Any other person or entity that is not a party (Recipient or FTA) to the underlying Agreement.

g. Changes in Project Performance. The Recipient agrees to notify the FTA Regional Counsel for the Region in which it operates public transportation or implements the Project, or the Headquarters manager for the Project and Chief Counsel immediately in writing in the following circumstances:

2 Impairs that third party participant's objectivity in performing the Project work.

(2) Gifts. Gifts include gratuities, favors, or anything of monetary value.

Section 9. Payments.

The Recipient agrees that it will not seek FTA payment for Project costs until it has executed the underlying Agreement.

a. Recipient's Payment Requests. Except as FTA determines otherwise in writing, when seeking Federal payments for Project costs, the Recipient agrees that:

(1) Unless FTA has stated in writing that the Recipient may defer the local share, if required to provide a local share:

FTA determines whether permit payments will be through a "letter of credit" or require "requisitions."

(1) Electronic Clearing House Operation Payments. The Recipient agrees that if payment is made by letter of credit through the FTA Electronic Clearinghouse Operation (ECHO) using an ECHO Control Number, the Recipient agrees:

(c) Immediate Use. The Recipient agrees that:

1 It will not withdraw Federal funds until actually needed for immediate payment of Project expenses, and

2 It will use those funds for payments of Project expenses no later than three (3) days after receipt, except as the Federal Government permits otherwise in writing.

(f) Reporting. It will report its cash payments and balances promptly, unless FTA determines otherwise in writing.

(g) Penalties. If it fails to comply with this Section 9.b(1), it may incur or be subjected to remedies and penalties, including, but not limited to the following:

1 Access to FTA’s ECHO System. The Federal Government may revoke or suspend the Recipient’s ECHO Control Number and access to the ECHO System if the

Recipient:

a Fails to use those funds to pay Project costs within three (3) days,

b Fails to return withdrawn but unspent funds to the Federal Government within a reasonable time, or

c Fails to establish procedures to minimize the time elapsing between advances of Federal funds and payments of Project costs.

2 Interest. The Recipient agrees to pay interest to the Federal Government on any Federal funds withdrawn prematurely, irrespective of whether the Federal funds have been deposited in an interest-bearing account. If the Recipient is:

a A State or State instrumentality. The Recipient agrees to pay interest calculated as provided by:

(i) Section 5(b) of the Cash Management Improvement Act of 1990, as amended, 31 U.S.C. § 6503(b), and

(ii) U.S. Treasury regulations, “Rules and Procedures for Efficient Federal-State Funds Transfers,” 31 C.F.R. Part 205.

The amount of interest due may be determined by:

(i) The amount of interest the Recipient demonstrates it earned on its premature withdrawals of Federal funds,

(ii) The amount of interest based on the “Treasury tax and loan account” rate prescribed by 31 U.S.C. § 3717 for debts owed to the United States, or

(iii) An amount of interest as the Federal Government otherwise determines.

3 Revocation of Funds. The Federal Government may revoke the unexpended portion of Federal funds awarded for the Project.

(2) Requisition. If FTA uses the requisition payment method, the Recipient agrees that:

(a) Recipient Responsibilities. The Recipient agrees that it will complete and submit:

1 “Payment Information Form – Echo-ACH Payment System, Revised 10/92” to

FTA's Accounting Division, and

2 Standard Form 270, "Request for Advance or Reimbursement" to the designated FTA office.

(b) FTA Responsibilities. Upon receiving a request for payment and adequate supporting information:

1 FTA will approve payment by direct deposit, provided that the Recipient:

a Has complied with the underlying Agreement and this Master Agreement,

b Has satisfied FTA that the Federal funds requested are needed for Project purposes in that requisition period, and

c Is making adequate progress toward Project completion.

2 After demonstrating satisfactory compliance with the requirements of the preceding Section 9.b(2) of this Master Agreement, FTA may reimburse the Recipient's apparent allowable costs incurred (or to be incurred in the requisition period), if consistent with the Approved Project Budget for the Project, but not to exceed the maximum amount of Federal funds that may be paid through the Federal fiscal year of that requisition.

c. Costs Reimbursed. Except as FTA determines otherwise in writing, the Recipient agrees that Project costs must be:

(1) Consistent with the Project Description, the Approved Project Budget, the underlying Agreement, and this Master Agreement,

(2) Necessary to carry out the Project,

(3) Reasonable for the property or services acquired,

(4) The actual net costs (the price paid minus any refunds, rebates, or other items of value it has received that reduced the costs it actually incurred, excluding program income),

(5) Incurred for work performed after the Effective Date of the underlying Agreement,

(6) Satisfactorily documented,

(7) Treated consistently as provided in federally approved accounting principles and procedures, and

(8) Eligible for Federal funding under Federal laws, regulations, and directives, including U.S. DOT regulations pertaining to allowable costs, specifically 49 C.F.R. § 18.22(b) and

49 C.F.R. § 19.27, which identify the applicable Federal cost principles as follows:

d. Bond Interest and Other Financing Costs. The Recipient agrees as follows:

(2) Federal Share. FTA’s share of Project interest and financing costs will be limited to an amount that does not exceed the most favorable financing terms reasonably available for the Project at the time of borrowing, except as FTA determines otherwise in writing.

e. Ineligible Costs. The Recipient understands and agrees that, except as FTA determines otherwise in writing, FTA will treat the following ineligible costs as excluded costs:

(1) Any Project cost the Recipient has incurred before the Effective Date of the underlying Agreement or any Amendment to the underlying Agreement, unless otherwise permitted by Federal law, regulation, or directive, accompanied by FTA’s written approval,

(2) Any cost not included in the latest Approved Project Budget,

(3) Any cost for Project property or services received in connection with a third party agreement that is required to be, but has not been, concurred in or approved in writing by FTA,

(4) Any ordinary governmental or nonproject operating cost as prohibited by 49 U.S.C. § 5323(h),

(5) Any profit or fee the Recipient seeks for its services in connection with the underlying Agreement, and

(6) Any cost ineligible for FTA participation as provided by Federal laws or regulations, as provided in Federal directives.

f. Effect of Federal Payments. The Recipient understands and agrees that any payment made for a Project cost does not constitute:

(1) The Federal Government's final decision about the eligibility of the cost for payment under the Project, and

(2) A waiver of any violation of any Federal law or regulation, the underlying Agreement, or this Master Agreement.

g. Final Eligibility Determination. The Recipient acknowledges that the Federal Government will not make a final determination about the eligibility of any cost until the Project audit has been completed.

h. Closeout. The Recipient agrees that Project closeout will not alter:

(1) Its responsibility to return any amounts due the Federal Government resulting from later refunds, corrections, or other similar transactions;

(2) The Federal Government's right to disallow costs and recover funds based on a later audit or other review.

i. Notification. The Federal Government will notify the Recipient in writing if it determines that the Recipient is not entitled to receive any portion of the Federal funds paid.

j. Recovery of Improper Payments. Unless prohibited by Federal law or regulation, the Federal Government may recover any funds necessary to satisfy any outstanding monetary claims it may have against the Recipient.

k. Program Income.

(1) State, Local, or Indian Tribal Governments. After FTA and the Recipient have entered into the underlying Agreement, FTA may permit a Recipient that must comply with 49 C.F.R. Part 18 to add program income to funds committed to that Project, and use that program income for purposes of and under the conditions of the underlying Agreement, in addition to uses authorized by 49 C.F.R. § 18.25.

(2) Institutions of Higher Education, Private Non-Profit Entities, and Private For-Profit Entities. After FTA and the Recipient have entered into the underlying Agreement, FTA may permit a Recipient that must comply with 49 C.F.R. (3) Costs Associated With Program Income. Except as FTA determines otherwise in writing, the costs incident to the earning program income may be deducted from the Recipient's

gross income when determining program income, if these costs have not been charged to the underlying Agreement.

l. Federal Claims and Debts, Excess Payments, Disallowed Costs, Refunds Due, and Other Amounts Owed the Federal Government, Including Interest.

(1) Recipient's Responsibility to Pay. After receiving notice of specific amounts due, whether for excess payments, disallowed costs, amounts recovered from third parties or other sources, or other funds it owes to the Federal Government, the Recipient agrees to pay the Federal Government the amounts owed, including interest, penalties, and administrative charges.

(2) Amount of Interest. The Recipient agrees that the method by which interest is calculated depends on which process the Federal Government uses to recover the funds owed. The Recipient therefore understands and agrees to pay the amount of interest to the Federal Government determined as follows:

(a) Federal Claims or Debts Under the Debt Collection Act. When the Federal Government uses the procedures of the Debt Collection Act of 1982, as amended, 31 U.S.C. 3701 *et seq.* to collect claims or debts owed by the Recipient for any reason as authorized under that Act (including excess payments and disallowed costs), the Recipient agrees that the amount of interest it will owe will be determined by:

1 Joint U.S. Treasury and U.S. DOJ regulations, "Standards for the Administrative Collection of Claims," 31 C.F.R. Part 900, specifically 31 C.F.R. § 901.9(a) – (g), or

2 Common law interest authorized by 31 C.F.R. § 901.9(i), as the Federal Government determines.

(b) Other Processes. When the Federal Government uses methods other than the 31 U.S.C. 3701 *et seq.* and 31 C.F.R. Part 900 procedures to recover moneys owed by the Recipient for any reason, the Recipient agrees that common law interest due will be determined:

1 By joint U.S. Treasury and U.S. DOJ regulations, "Standards for the Administrative Collection of Claims," 31 C.F.R. Part 900, specifically 31 C.F.R. § 901.9(i), or

2 As FTA may determine otherwise.

m. De-obligation of Federal Funds. The Recipient agrees that the Federal Government may de-obligate unexpended Federal funds before Project closeout.

Section 10. Project Completion, Audit, Settlement, and Closeout.

(1) Its final Financial Status Report, either electronically or on Federal Financial Report Standard Form 425 (SF-425),

(2) A certification of Project expenses, and

(3) The necessary Project audit reports.

b. Audit of Recipients. Except as the Federal Government determines otherwise in writing, the Recipient acknowledges and agrees that:

(2) The Federal Government may require the Recipient to refund the entire amount of Federal funds provided for the Project or any lesser amount as the Federal Government may determine, if the Federal Government determines that the Recipient has willfully misused Federal funds by:

- (a) Failing to make adequate progress,
- (b) Failing to make appropriate use of Project property, or
- (c) Failing to comply with the underlying Agreement or this Master Agreement.

c, Expiration of Project Time Period. Except in the case of Full Funding Grant Agreements, expiration of any Project time period established for the Project does not, by itself, constitute an expiration or termination of the underlying Agreement.

Section 12. Civil Rights.

b. Disadvantaged Business Enterprises. The statutory and regulatory provisions relating to disadvantaged business enterprises (DBE) differ significantly between FTA and FRA.

(1) Section 1101(b) of SAFETEA-LU (23 U.S.C. § 101 note) and the HIRE Act apply to FTA, but not to FRA.

(2) U.S. DOT regulations, “Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs,” 49 C.F.R. Part 26, which implement Section 1101(b) of SAFETEA-LU and the HIRE Act, apply to FTA, but not to FRA.

(3) FRA is not authorized to use FTA’s DBE regulations.

(4) Consequently, the Recipient agrees that:

(a) It will comply with the statutory and regulatory DBE provisions that apply to FTA funds when using FTA funds for purchases, and

(b) It will use the “contracting with small and minority firms, women's business enterprise” provisions of 49 C.F.R. § 18.36(e) or 49 C.F.R. § 19.44(b), when using FRA funds.

c. Buy America. The statutory and regulatory Buy America provisions that apply to FTA funds differ from those that apply to FRA funds. The Recipient agrees that:

(1) It will comply with the statutory and regulatory Buy America provisions that apply to FTA funds when using FTA funds for purchases.

(2) It will use the Buy American statutory provisions and regulatory that apply to FRA funds, specifically section 301(a) of the Passenger Rail Investment and Improvement Act of 2008 (PRIIA), Pub L. 110-432, October 16, 2008, 49 U.S.C. § 24405(a), when using FRA funds for purchases.

(3) If it uses both FTA and FRA funds to finance a purchase, the Recipient agrees to comply with the most restrictive statutory and regulatory provisions that apply to either FTA or FRA funds.

d. Force Account – Procurement. FTA deems Subsection 15(h) of this Master Agreement to be satisfied if the work is performed by the railroad’s force account employees if:

(1) The project is being conducted on the property of a railroad, and

(2) Under the railroad’s collective bargaining agreements with its employees, certain work to be performed for the Recipient must be performed by force account employees.

e. Procurement of Rolling Stock. If FRA requires the Recipient to acquire any rolling stock for the Project from the Next Generation Corridor Equipment Pool Committee that has been established under section 305 of PRIIA, FTA deems Section 15(n)(1) of this Master Agreement to be satisfied.

f. Use of Real Property, Equipment, and Supplies. Application of Section 19 of this Master Agreement is reserved pending resolution by the U.S. Internal Revenue Service of whether Recovery Act grant funds invested in railroad property constitute non-taxable contributions to equity.

g. Davis-Bacon. As provided in 49 U.S.C. § 24312, wages paid to railroad employees at rates provided in a collective bargaining agreement negotiated under the Railway Labor Act, 45 U.S.C. 151 *et seq.*, are deemed to comply with the Davis-Bacon Act, 40 U.S.C. §§ 3141-3144, 3146, and 3147.

h. Employee Protective Arrangements. The Recipient will:

(1) Pass down to a railroad employee subject to the Railway Labor Act, 45 U.S.C. 151 *et seq.*, protective arrangements as provided in a special Attachment to FTA’s Grant Agreement or Cooperative Agreement with the Recipient.

(2) Not pass down employee protective arrangements provided in Section 24(d) of this Master Agreement.

i. Motor Carrier Safety.

(1) Railroad signal employees and their employers must comply with the hours of service requirements of:

(a) 49 U.S.C. § 21104, *see* 49 U.S.C. § 21104(e), and

(b) FRA's hours of service regulation, specifically 49 C.F.R. Part 228.

(2) Section 24(b) of this Master Agreement does not apply to railroad signal employees concerning hours of service.

j. Railroad Safety. A railroad subject to FRA's safety jurisdiction must comply with the Federal railroad safety laws.

Section 55. Freedom of Information Act.

The Recipient understands and agrees that:

a. Applicability. The Freedom of Information Act (FOIA), 5 U.S.C. § 552, applies to information submitted to FTA and U.S. DOT, on typewritten hard copy or electronically.

b. Project Records. All applications and materials submitted to FTA related to its Project:

(1) Will become Federal agency records, and

(2) Are or will be subject to FOIA and to public release through individual FOIA requests, unless FTA determines that a valid exemption under FOIA or another statute applies.

c. Confidentiality. President Obama's January 21, 2009, Memorandum for the Heads of Executive Departments and Agencies on the Freedom of Information Act directs Federal agencies to adopt a presumption of disclosure. Therefore:

(1) FTA does not consent to honor any "routine" confidentiality statements that may appear on any typewritten hard copy or electronic information or that accompanies submission of Project information, unless a Federal law or regulation requires that the information or document must be kept confidential.

(2) As permitted by Federal law and regulations, FTA will review information and documents that are the subject of each FOIA request to determine the extent to which FTA must or should exercise its discretion to withhold the information or those documents.

(3) Any genuinely confidential or privileged information should be:

- (a) Marked clearly and specifically, and
- (b) Justified as confidential or privileged under FOIA standards.

Section 56. Disputes, Breaches, Defaults, or Other Litigation.

The Recipient agrees that FTA has a vested interest in the settlement of any dispute, breach, default, or litigation involving the Project. Accordingly, the Recipient agrees that:

a. Notification to FTA. It will notify the FTA Chief Counsel or Regional Counsel immediately of any current or prospective legal matter:

(1) Such as:

- (a) A major dispute,
- (b) A breach,
- (c) A default,
- (d) Litigation, or

(e) Naming the Federal Government as a party to litigation or a legal disagreement in any forum for any reason,

(2) That may affect the Federal Government's:

- (a) Interests in the Project, or
- (b) Administration or enforcement of Federal laws or regulations.

b. Federal Interest in Recovery.

(1) General. The Federal Government retains the right to a proportionate share of any proceeds recovered from any third party, based on the percentage of the Federal share for the Project.

(2) Liquidated Damages. However, the Recipient may return all liquidated damages it receives to its Project Account rather than return the Federal share of those liquidated damages to the Federal Government.

c. Enforcement. It will pursue its legal rights and remedies available under any third party agreement or available under Federal, State, or local laws or regulations.

d. FTA Concurrence. FTA reserves the right to concur in any compromise or settlement of any claim involving the Project and the Recipient.

e. Alternative Dispute Resolution. FTA encourages the Recipient to use alternative dispute resolution procedures, as may be appropriate.

Section 57. Amendments to the Project.

The Recipient agrees that:

a. Changed Circumstances. It will execute an Amendment to the underlying Agreement when a change in Project circumstances causes an inconsistency with:

- (1) The underlying Agreement, or
- (2) This Master Agreement.

b. Changed Information. When the fundamental information in its Application has changed, it will:

- (1) Amend its Application if the change takes place before FTA awards funding for the Project, and if necessary,
- (2) Execute an amendment to the underlying Agreement if the change takes place after FTA awards funding for the Project.

Section 58. FTA's Electronic Management System.

a. Recipient Use.

(1) Unless FTA permits otherwise in writing, the Recipient agrees to use FTA's electronic management system to submit information and reports to FTA.

(2) FTA, however, may determine the extent to which the Recipient may use its electronic management system to execute legal documents.

b. TEAM System Terms. The Recipient and FTA agree that:

(1) Except as FTA states otherwise in writing, the terms in the current FTA Transportation Electronic Award and Management (TEAM) system do not necessarily reflect, and are not intended to be treated as, the exclusive evidence of such matters as:

- (a) The "Project,"

- (b) The “Scope” of the Project,
- (c) Project “Activities,” and
- (d) Other similar terms.

(2) FTA may treat information other than that reflected in its current TEAM system as determinative of what constitutes:

- (a) The “Project,”
- (b) The “Scope” of the Project,
- (c) Project “Activities,” and
- (d) Other similar terms.

Section 59. Information Obtained Through Internet Links.

a. Accuracy. The Recipient understands and agrees that any information obtained through any electronic link in this Master Agreement:

- (1) Does not represent an official version of a Federal law, regulation, or directive, and
- (2) Might be inaccurate.

b. Relationship to the Master Agreement. Information obtained through electronic links in this Master Agreement is:

- (1) Not incorporated by reference into this Master Agreement, and
- (2) Not made part of this Master Agreement.

c. Official Sources. Official sources of Federal regulatory information are:
